As well as to request Debtor to disclose such number of accounts and the amounts involved, which funds are still being kept by Debtor. (Dkt. 877).

Hello,

Your account has been suspended after we noted the misuse of our referral program. Several accounts were found to have been accessed by the same device which violates our terms of use related to **individual** ownership of **individual** accounts. Referral awards and any interest credited to this account will be canceled and any deposits not already withdrawn will be returned within the next 30 days.

Please provide your withdrawal address at your earliest convenience.

Kind Regards

Compliance Team| [Celsius](#) Network

I provided the withdrawal address on the same date I wrote to reply at Celsius (April 21).

However, I have not received my funds within 30 days as promised and I have not received an email since then. I kept emailing them and received no reply for my email.

I would like to join case to Kwok Mei Po that 30 days have been a standardized mechanism from the Compliance Team regarding return of funds for suspended accounts and my funds have been stuck there for months which I was denied access to and login to my account has been blocked since 2022 April 12

Respectfully submitted,
Luca Zara
